

# SUMMER SCHOOL TEACHER SURVEY

Teacher's Name: \_\_\_\_\_

Summer Camp for students entering grades K-8 will be held in June this year (June 7-July 1) at Briarwood and CJH. Teachers may have the opportunity to work during Summer Camp and earn extra money while helping our students recover learning loss. Teachers will be paid \$1,000 per week during Summer Camp. There will be 2 days of planning (June 3-4). You would be paid \$250 per day for these required planning dates as well. Interested high school teachers could potentially teach in the 6-8 grade camp. **Our first step is to see how many teachers are available/willing to teach Summer Camp. Check the applicable statements below and return this to your principal by Friday, March 5, 2021. Thanks for your feedback.**
